Terms of Use

VentriPoint, Inc. ("VPT") makes available for your use on this Web site (the "Site") information and documents (collectively, the "Information") related to VPT's business, and your access to the Information, and use of the Site is subject to the terms and conditions set forth in this document (the "Terms of Use"). Please carefully read the following conditions before you use this Web Site. By accessing the site, you agree to the Terms of Use. If you do not agree with them, please exit the Site.

Jurisdiction

This Web Site is hosted in Seattle, Washington, USA. You agree that your access to, and use of the Site is deemed to solely occur within the State of Washington, USA, and that the only law governing your use of the Site is Washington State Law.

Use of the Site

You may view, print and download the Information provided it is to be used solely for personal, informational and non-commercial purposes. You may not copy, alter, commercially exploit, or distribute the Information in any way, including, but not limited to, the electronic reproduction and republication of Information to any part of the Internet without prior written permission of VPT. You may not remove any copyright or other proprietary notices contained within the Information. VPT's infringement rights will be strictly enforced and VPT disclaims any and all liability for any consequences which may result from any unauthorized reproduction or use of such contents whatsoever.

Information

Information on this Site is provided for general informational purposes and you assume all risks concerning the suitability and accuracy of the Information within the Site. The Information does not constitute any advice, promise or obligation of VPT and does not necessarily represent the most current source for company information, yet the Information is accurate at the time of publishing. VPT cannot, and does not, guarantee or ensure the accuracy, completeness, or authenticity of this Site's contents and may make changes and revisions to the information on this site at any time and without notice. The Information is presented and stored on an "as is" basis and the use of the Site to collect information is completely at your own risk.

Limited Liability

This site contains links to third-party websites merely as a convenience. The inclusion of such links does not imply that VPT endorses or accepts any responsibility for the content or use of such Web sites. When you access a non-VPT web site, you do so at your own risk and VPT shall not be responsible for the accuracy or reliability of such information.

You agree that neither VPT, nor any of its affiliated companies or partners nor any officer, director, or employee thereof, nor any person associated with the creation of the Site, shall be liable or responsible to any person for any harm, loss or damage that may arise in any connection with your use of this Site, including any direct, indirect, special, third party, or consequential damages.

Privacy and Security

The open nature of the Internet communication medium, by definition, does not ensure user privacy and confidentiality. VPT shall not take responsibility for the maintenance of your privacy while accessing the Site, and makes no guarantee that your use of the Site cannot be accessed by, disclosed to or monitored by other people. As such, you agree that VPT shall not be responsible for any harm or loss that you or any other person may incur as a result of security or confidentiality breaches. VPT reserves the right to collect information about user access to the Site for informational and statistical purposes.

Although VPT has taken reasonable precautions to prevent the unauthorized entry and/or alteration of the Site, no system on the Internet is completely secure, and VPT shall not take responsibility for any computer viruses, destructive programs or unauthorized content that may be inadvertently downloaded from, or purposely inserted into the Site.

Forward Looking Statements

Information which is included herein contains estimates and assumptions which management is required to make concerning future events, and may constitute forward looking statements under applicable securities laws. Statements contained herein that are not based on historical fact, including without limitation statements containing the words "believes", "anticipates", "plans", "intends", "will", "should", "expects", "continue", "estimate", "forecasts" and other similar expressions, constitute forward-looking statements. Such forward-looking statements involve known and unknown risks and uncertainties that could cause actual results, events or developments to be materially different from those expressed or implied by such forward-looking statements. These risks include, but are not limited to those associated with the success of research and development programs, the regulatory approval process, competition, securing and maintaining corporate alliances, market acceptance of the Company's products, the availability of government and insurance reimbursements for the Company's products, the strength of intellectual property, financing capability, the potential dilutive effects of any financing, reliance on subcontractors and key personnel.

Although such expectations are viewed as reasonable by the Company, no assurance can be given that such expectations will be realized. Given these risks and uncertainties, readers are cautioned not to place any undue reliance on such forward looking statements. The forward-looking statements are made as of the date hereof, and the Company disclaims any intention and has no obligation or responsibility, except as required by law, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Trademark Notices

The use and display of trademarks in this Web Site does not imply that a license of any kind has been granted. The symbols (R) and (TM) designate Canadian registered trademark and unregistered trademark status respectively.
