

Ventripoint Engages Digital257 for Social Media and Investor Relations Services

Toronto, Ontario – The Newswire – July 5, 2021 - Ventripoint Diagnostics Ltd. (" **Ventripoint** " or the " **Company** "), (TSXV:VPT) ; (OTC:VPTDF) is pleased to announce that it has engaged Digital257 Technologies Inc. to provide investor relations and social media services pursuant to a consulting agreement dated June 2, 2021.

Digital257 is a digital marketing firm specializing in investor audience growth and awareness. Digital257 provides digital media and capital markets communications services and will assist the company with on-line communications with the goal of increasing market awareness of the company. In consideration of these services, the company has agreed to pay Digital257 a fee of \$92,500.00 (Canadian) for an approximately nine-month contract. Digital257 is an arm's-length party to the company and does not currently own any securities of the company as at the date hereof but may purchase securities in the company from time to time for investment purposes. The consulting agreement with Digital257 is subject to acceptance by the TSX Venture Exchange.

About Ventripoint Diagnostics Ltd.

Ventripoint has become an industry leader in the application of AI (Artificial Intelligence) to echocardiography. Ventripoint's VMS products are powered by its proprietary KBR technology, which is the result of a decade of development and provides accurate volumetric cardiac measurements equivalent to MRI. This affordable, gold-standard alternative allows cardiologists greater confidence in the management of their patients. Providing better care to patients serves as a springboard and basic standard for all of Ventripoint's products that guide our future developments. In addition, VMS+ is versatile and can be used with all ultrasound systems from any vendor supported by regulatory market approvals in the U.S., Europe and Canada.

Forward Looking Statements

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information because the Company can give no assurance that they will prove to be correct.

Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. Factors which could materially affect such forward-looking information are described in the risk factors in the Company's most recent annual management's discussion and analysis that is available on the Company's profile on SEDAR at www.sedar.com. Readers are cautioned that the foregoing list of factors is not exhaustive. The forward-looking statements included in this news release are expressly qualified by this cautionary statement. The forward-looking statements and information contained in this news release are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.
